## join the cultural evolution

*in your own unique way.*

**Waipu Scottish Migration Museum  
is delighted to announce that  
entries for Art & Tartan+ 2023  
are now OPEN.**

After the success of Art & Tartan+ 2022,  
our theme this year is

**The Myths and Legends that Dreams  
are made of - for our Heritage,  
our Culture and our Home.**

And remember ... anything goes!

In 2023 we want to see lots of entries representing all the different cultures in Te Tai Tokerau and beyond – from the Tangata Whenua of this place, to the Scottish Highlanders who migrated to this region and made it their home, the Dalmatian families of the gumfields, and the many other cultures who are now part of our vibrant diverse community. Join us to make Waipu's Art & Tartan+ bigger, brighter and even more amazing. Think of the myths and legends that dreams are made of for your whanau and create wearable art which represents this.

We challenge all creatives - artists, sculptors, costume designers, aspiring fashion designers, design students looking to develop their portfolios and first time entrants, to step up and be part of our unique Cultural Evolution. Join us by submitting your own innovative and inspiring piece of wearable art.

***“Where the creativity of our different  
cultures surprises and excites.”***
